### 4.2.D - Rounding Bingo

## Materials needed:

- Set of Rounding Question Cards - Well shuffled.
- Dry erase markers/erasers
- Chips or game counters (optional)

## To Play:

Players take turns drawing a card and answering the question. Once the problem is answered correctly, all players can mark out the corresponding number on their bingo cards. If you run out of cards before someone "bingos" - just reshuffle the cards and keep going.

## To win:

First player with 5 in a row in any direction (down, across, diagonal) wins.
