**Divide Minutes into Hours
Bingo**

Unit: 4th – Measurement

Time Warm-Ups - Divide into Hours Bingo

Materials needed:

- Set of minute cards - Well shuffled
- Dry erase markers/erasers
- Chips or game counters (optional)

To Play:

Players take turns drawing a minute card and dividing the number of minutes into Hours and Minutes. Once the problem is answered correctly, all players can mark out the corresponding number on their bingo cards. If you run out of cards before someone “bingos” – just reshuffle the cards and keep going.

To win:

First player with 5 in a row in any direction (down, across, diagonal) wins.

Print: Two-Sided
