

Order! Order!

Materials Needed:

- Order! Order! Gameboards – one for each player. (Pizza Box)
- Order! Order! Game Cards
- Dry erase pens/erasers

To Play

- Place the Game Cards in a stack face down where everyone can reach them.
- First Player draws a card and places it in one of the spaces on their board. Once a number is placed it cannot be moved to a different space.
- Play continues with players taking turns drawing cards and placing the number in a space so that the order of the numbers is correct according to the greater than/less than symbols.

To win

First player to complete 4 rows correctly wins.
